

SECTION 5

TEST II SAMPLE CONSTRUCTED-RESPONSE ASSIGNMENTS

This section of the Georgia Assessments for the Certification of Educators® (GACE™) Preparation Guide is designed to assist you in responding to the constructed-response assignments on the test. Included in this section are:

- ▶ Constructed-response assignment directions
- ▶ Sample constructed-response assignments
- ▶ Assignment response sheets
- ▶ An example of a strong response to each sample assignment
- ▶ Scoring criteria that will be used in evaluating your response to each assignment

For each sample assignment, you may want to take the following steps to prepare for the test:

-  Review the constructed-response assignment directions.
-  Print the assignment and the assignment response sheet.
-  Use scrap paper to make notes, write an outline, or otherwise prepare your response.
-  Use the assignment response sheet to record your response. The assignment response sheet reflects the amount of space available on an actual test.
-  After you complete the assignment, review the sample strong response, your response, and the scoring criteria.

CONSTRUCTED-RESPONSE ASSIGNMENT DIRECTIONS

A sample of the directions for the constructed-response assignments is shown in the box below.

CONSTRUCTED-RESPONSE ASSIGNMENT DIRECTIONS

For each constructed-response assignment in this section, you are to prepare a written response of up to one page and record it in the area provided on the appropriate Assignment Response Sheet in your answer document. You will write your response in the target language.

Read each assignment carefully before you begin to write. Think about how you will organize what you plan to write. You may use any blank space provided in this test booklet following each assignment to make notes, write an outline, or otherwise prepare your response. *However, each of your final responses must be written on the appropriate Assignment Response Sheet in your answer document.*

Your responses will be evaluated based on the following criteria:

- **Purpose:** The extent to which the response fulfills the purpose of the assignment and is appropriate for the intended audience
- **Development:** The extent to which the response is elaborated using specific, relevant supporting detail
- **Coherence:** The extent to which the response communicates meaning through ideas that are organized and clearly expressed
- **Grammar, Syntax, and Mechanics:** The extent to which the response demonstrates control of grammatical forms and syntax, spelling, diacritical marks, and punctuation
- **Vocabulary:** The extent to which the response demonstrates command of vocabulary and idiomatic expressions

Evaluation of each response will be based on the criteria above. Your responses must be communicated clearly enough to permit a valid judgment of your knowledge and skills. Your responses should be written for an audience of educators in the field.

Your responses should be your original work, written in your own words, and not copied or paraphrased from some other work. Please write legibly. You may not use any reference materials during the test. Remember to review your work and make any changes you think will improve your responses.

The selected-response section of the answer document containing your name will be removed from your written responses to maintain your anonymity during the scoring process. Do not write your name on any other portion of the answer document, and do not separate any of the sheets from the document.

Please turn the page and begin the constructed-response assignment section of the test.

CONSTRUCTED-RESPONSE ASSIGNMENT ONE

■ Sample Constructed-Response Assignment One

Complete the assignment that follows.

Imagine that you have received an e-mail from a friend in a German-speaking country who is a teacher. Your friend is collecting stories from around the world to share with his students, and has asked you to describe a memorable experience you have had while in school. Writing in German, respond to your friend. In your response, you may wish to include, but are not limited to, the following topics:

- a description of the experience; and
- reasons why this experience was so memorable.

Lieber Hans,

Vielen Dank für deine E-Mail. Deine Anfrage nach einer beeindruckenden Schulerfahrung, die du deinen Schülern erzählen kannst, finde ich sehr interessant. Wie du weißt, ist mein Vater im Krieg umgekommen, und meine Mutter hat einen amerikanischen Soldaten geheiratet. Er ist nach El Paso in Texas versetzt worden. Ich bin also durch meine Eltern als Zehnjährige von Deutschland in die USA ausgewandert. Ich war im fünften Schuljahr, mein Bruder im sechsten. Wir konnten beide fast kein Wort Englisch. Meiner Mutter war es gar nicht recht, dass wir sofort nach unserer Ankunft in die Schule sollten. Sie war besorgt, weil alles so fremd für uns Kinder war. Sie hat sehr geweint, als mein Stiefvater uns beide in der Schule in El Paso angemeldet hat.

Der Direktor und die Lehrerinnen waren sehr nett und geduldig. Es war doch alles fremd - die Sprache, neuer Sport (Baseball), der lange Tag, und die komischen Schreibtische. Ich denke oft mit Nostalgie an diese Zeit zurück, wie wir den Sprung über den großen Teich unternommen haben, und deswegen hat sich unser ganzes Leben verändert. Die Lehrerinnen in El Paso haben uns mit offenen Armen aufgenommen. Wegen ihnen bin ich selbst auch Lehrerin geworden.

CONSTRUCTED-RESPONSE ASSIGNMENT TWO

■ Sample Constructed-Response Assignment Two

Complete the assignment that follows.

Imagine that a proposal has been made to extend the school day by two hours. Writing in German for an audience of educated adults, take a position for or against this proposal. In your response, you may wish to include, but are not limited to, the following topics:

- advantages and disadvantages of the proposal; and
- an explanation of why you support or oppose the proposal.

Meine Damen und Herren!

Vielen Dank für die Gelegenheit, in ihrem Stadtverein zu sprechen. In diesem Schulbezirk versuchen die Direktoren und LehrerInnen immer das Schulprogramm zu verbessern.

Bedingungen wie Klassengröße, zutreffende Materialien und gut ausgebildete LehrerInnen sind sehr wichtig, um den Erfolg für die SchülerInnen zu garantieren. Im Moment fügen einige Direktoren dieser Liste einen längeren Schultag hinzu. Es gibt natürlich Gründe einen längeren Schultag zu unterstützen. Zwei zusätzliche Schulstunden am Tag würden es möglich machen unser Lehrangebot zu erweitern, Nachhilfestunden anzubieten oder mehr Sporttraining mit einzuplanen. Außerdem wäre ein längeres Mittagessen oder eine Pause eine Möglichkeit.

Andererseits müssen die SchülerInnen jetzt schon acht Stunden jeden Tag in der Schule sein. Mit einem Zehnstunden-Schultag wäre es wahrscheinlich, dass SchülerInnen vor Sonnenaufgang und nach Sonnenuntergang im Schulbus sitzen müssten. Auch wäre es zu erschöpfend, so viele Stunden in der Klasse zu verbringen. Meiner Meinung nach wäre es besser, sich auf Qualität in den Klassen zu konzentrieren und nicht einen längeren Schultag einzuführen. Hoffentlich werden Sie gleicher Meinung sein.

CRITERIA FOR SCORING YOUR RESPONSE

Each response will be evaluated based on the following criteria.

PURPOSE	The extent to which the response fulfills the purpose of the assignment and is appropriate for the intended audience
DEVELOPMENT	The extent to which the response is elaborated using specific, relevant supporting detail
COHERENCE	The extent to which the response communicates meaning through ideas that are organized and clearly expressed
GRAMMAR, SYNTAX, AND MECHANICS	The extent to which the response demonstrates control of grammatical forms and syntax, spelling, diacritical marks, and punctuation
VOCABULARY	The extent to which the response demonstrates command of vocabulary and idiomatic expressions

Section 5: Test II Sample Constructed-Response Assignments

Each response is rated on a three-point scale. The three score points of the score scale correspond to varying degrees of performance that are related to the criteria on the previous page.

Score	Description
3	<p>The "3" response reflects thorough understanding and strong command of written performance as defined in relevant GACE framework objectives.</p> <ul style="list-style-type: none"> • The response fully achieves the purpose of the assignment and is appropriate for the intended audience. • The response is fully developed, providing specific, relevant details. • The response effectively communicates meaning through ideas that are clearly expressed and well organized. • The response demonstrates thorough control of grammar and syntax, including mechanics, with only minor errors that do not interrupt communication. • Vocabulary reflects broad command of the language and appropriate use of idiomatic expressions.
2	<p>The "2" response reflects general understanding and command of written performance as defined in relevant GACE framework objectives.</p> <ul style="list-style-type: none"> • The response generally achieves the purpose of the assignment and is generally appropriate for the intended audience. • The response is generally developed, with some elaboration of relevant, specific points. • The response communicates meaning through ideas that are generally clear and organized. • The response generally demonstrates control of grammar and syntax, including mechanics. Some errors may cause minor interruptions in communication. • Vocabulary reflects general command of the language and generally appropriate use of idiomatic expressions. Minor errors do not impede communication.
1	<p>The "1" response reflects limited or no understanding or command of written performance as defined in relevant GACE framework objectives.</p> <ul style="list-style-type: none"> • The response fails to achieve the purpose of the assignment and is inappropriate for the intended audience. • Development is limited, lacking supporting details, or irrelevant. • Ideas are unclear and disorganized, resulting in limited or no communication of meaning. • The response demonstrates limited control of basic elements of grammar and syntax, including mechanics. Frequent errors impede communication. • Vocabulary is limited, simple, and inadequate. Word usage errors and misformations impede communication.

Please note: A response that is unrelated to the assigned topic, illegible, not primarily in the target language, or lacking a sufficient amount of original work to score will be considered **unscorable**. If there is no response to the assignment, then the response will be considered **blank**.
